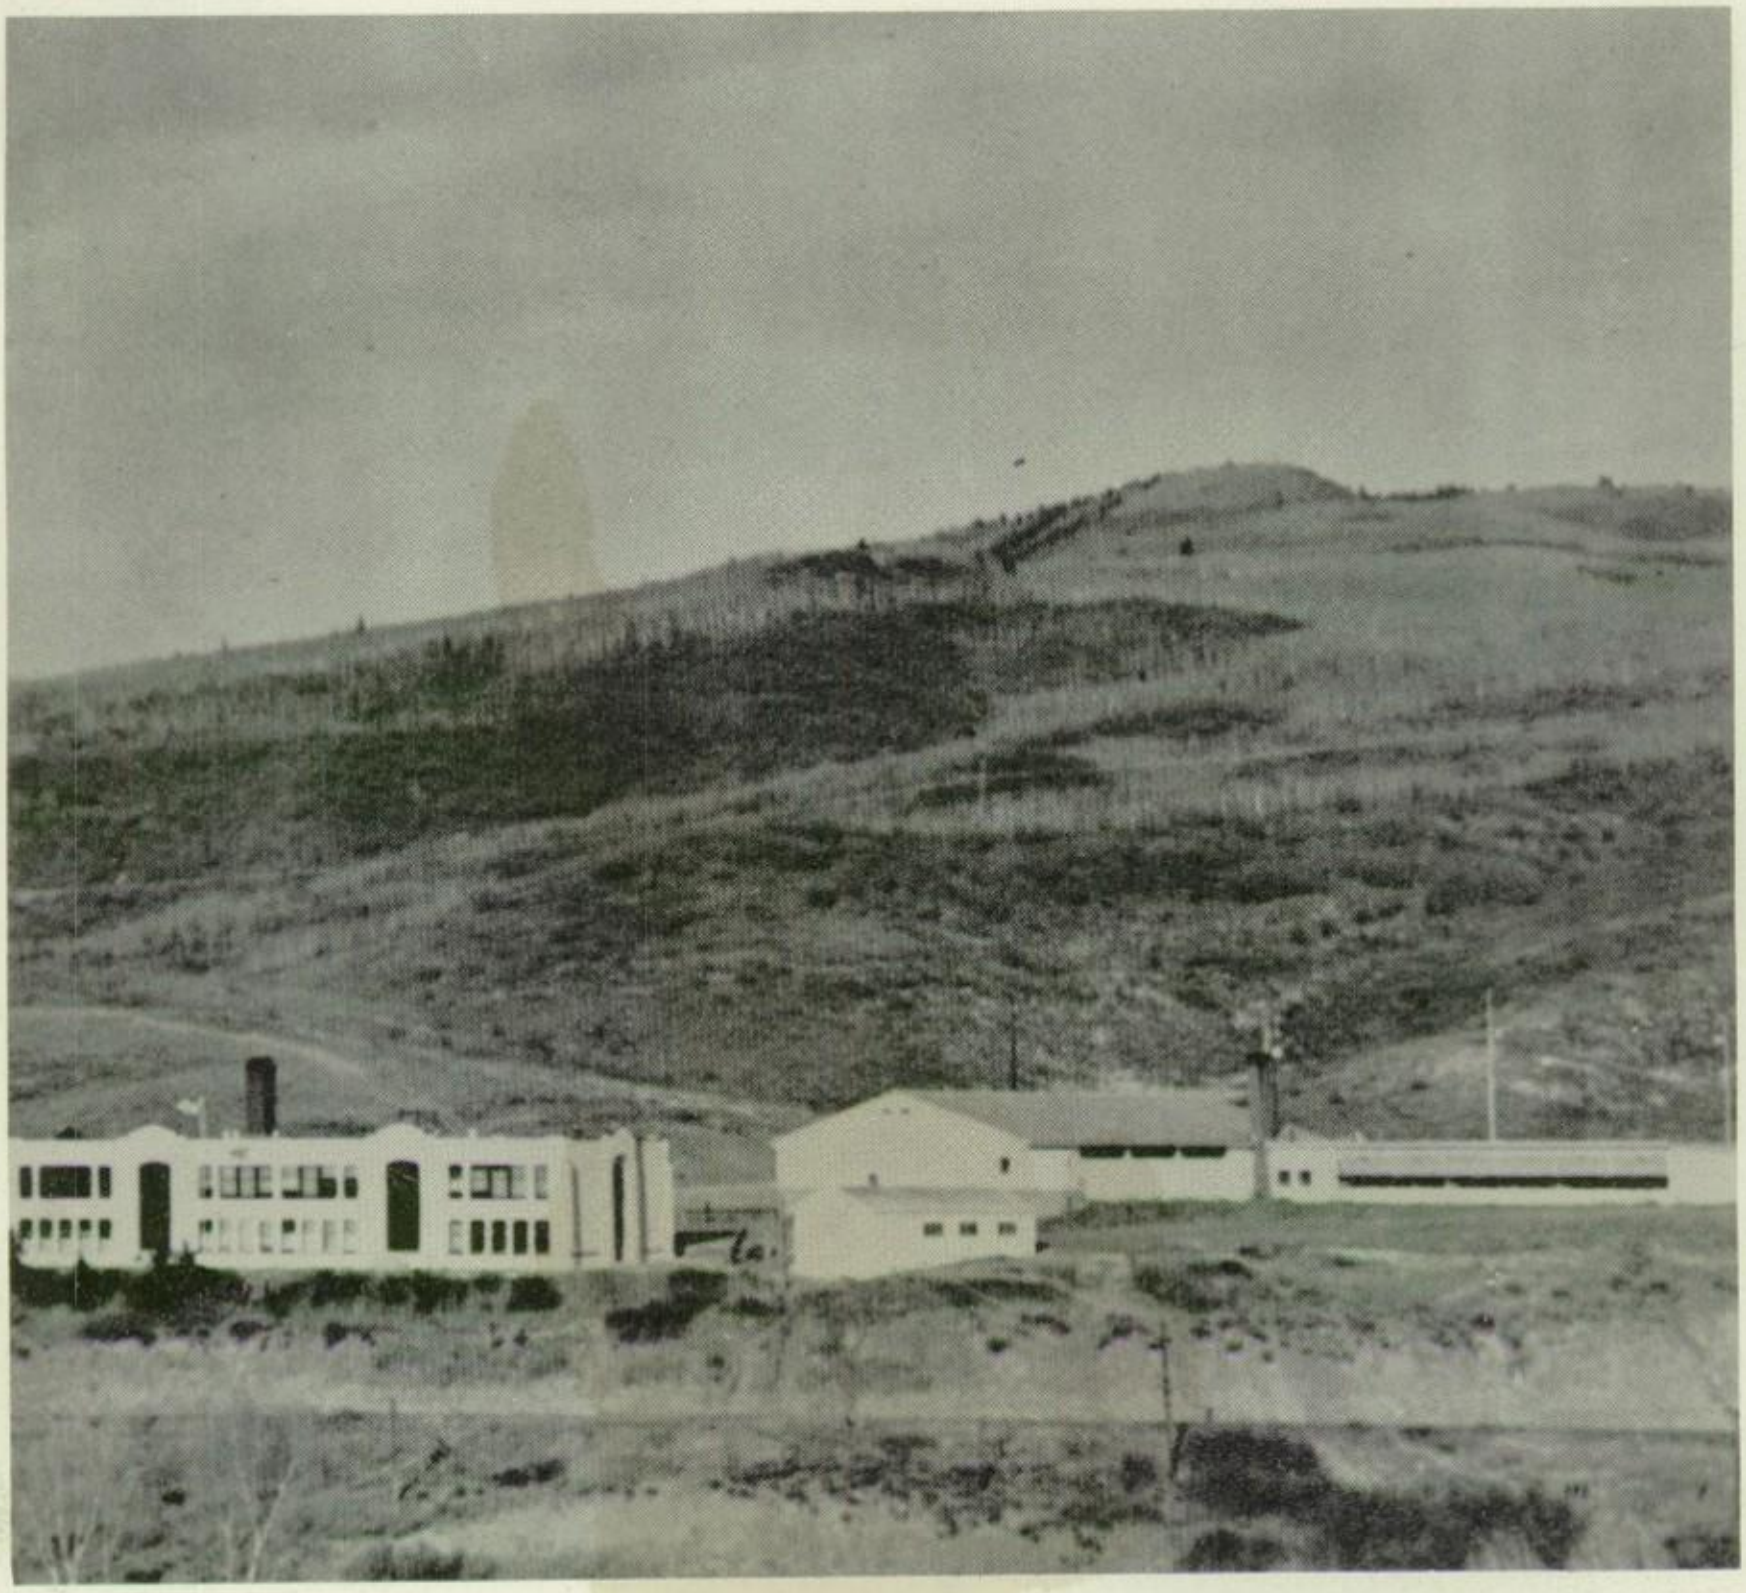
'59 MINER

The Annual Staff
PRESENTS...

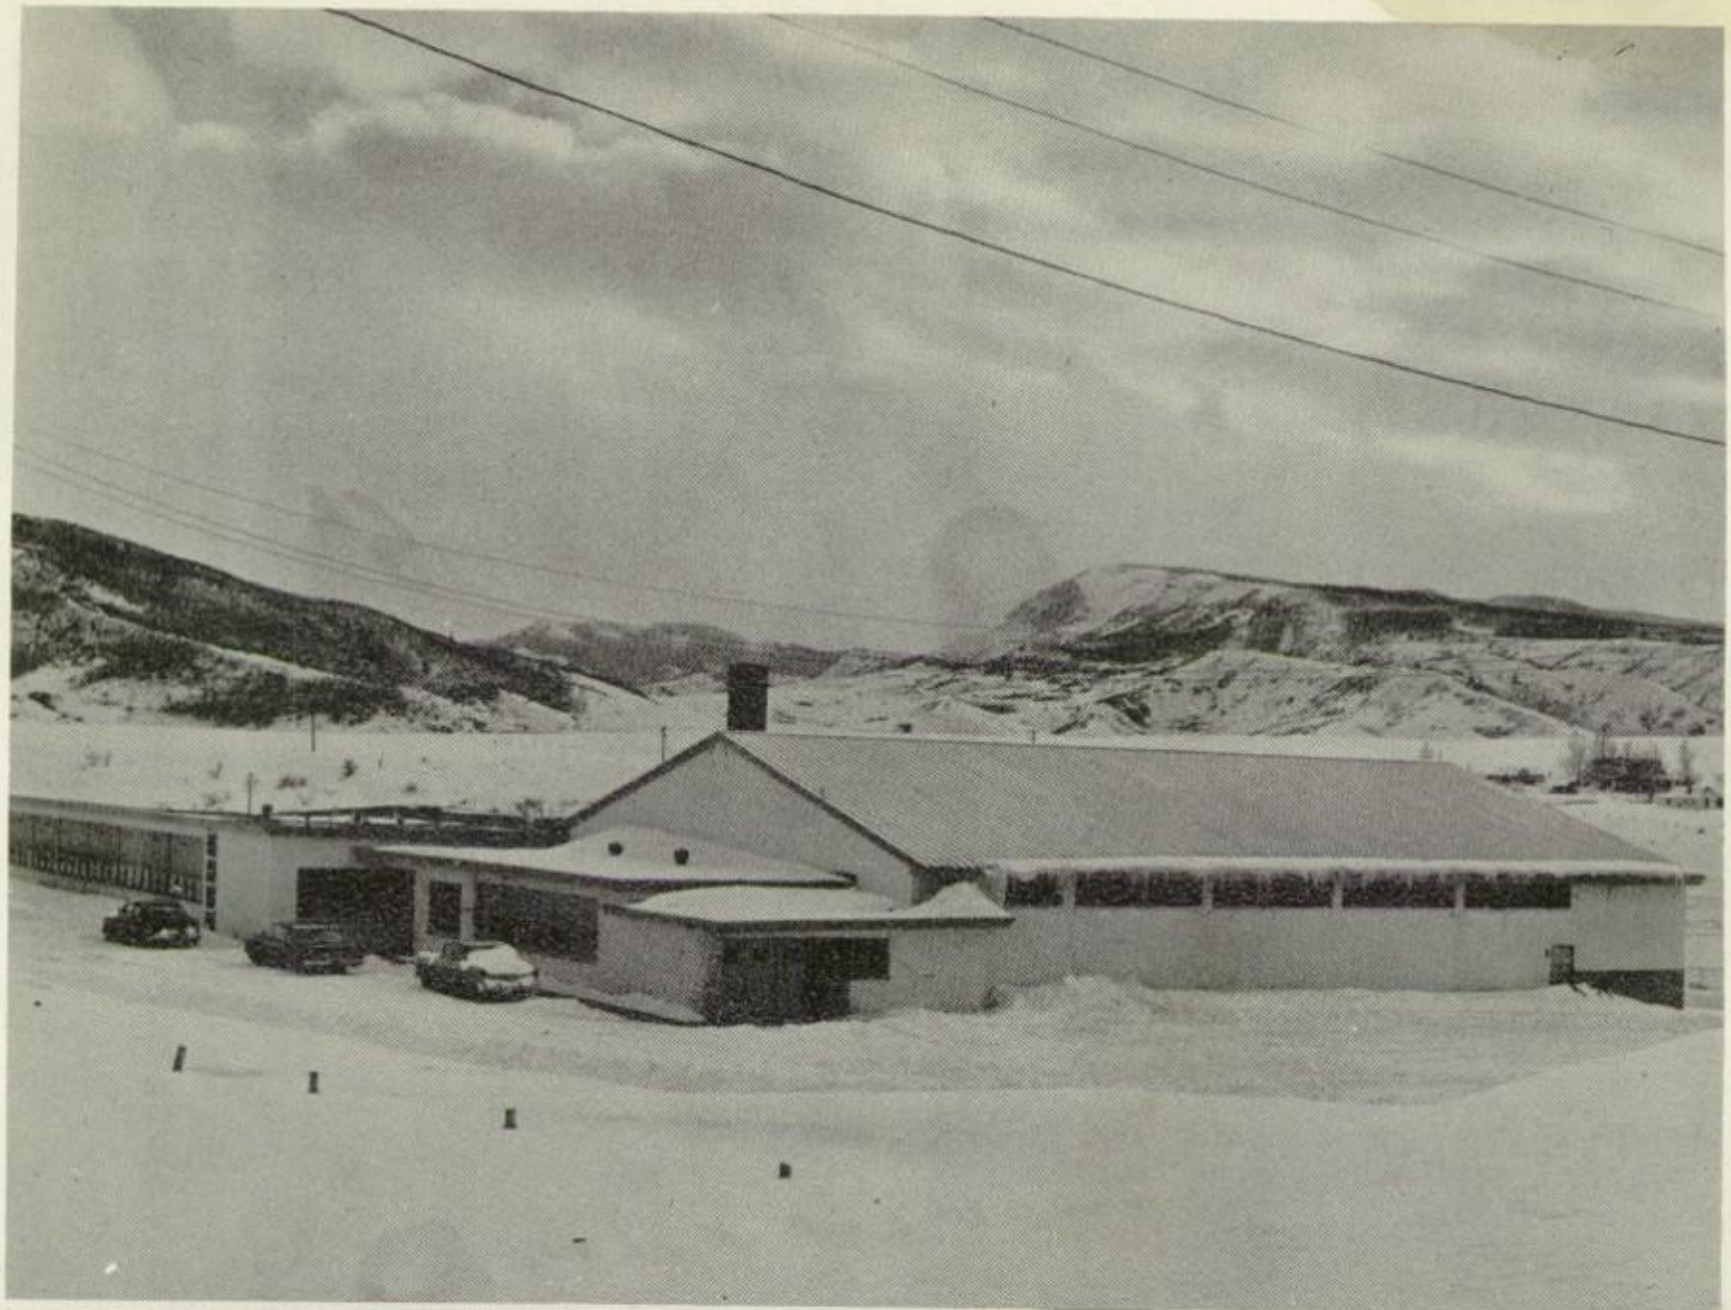
The '59 Miner



Foreword

One school year fades and another is soon to begin. As one class parts from us, another is just embarking on the long journey. But between them lie many days not soon to be forgotten.

As you look through THE '59 MINER, may it enable memory's rays to spotlight happy, carefree, but busy hours spent in Oak Creek Schools.



Dedication

To our understanding and helpful principal and teacher who has rendered every service possible to uphold the spirit of Oak Creek Union High School; to one who has worked without ceasing for us and guided us in all our undertakings; who in his years has taught us willingly, faithfully, and with fullest capacity, we proudly dedicate the '59 MINER to our very own--
